“

The sixth batch of the students from this University has time and again made us proud with their achievements, and has surpassed boundaries of excellence

”

Message from the Vice-Chancellor

Greetings on behalf of the NLUO family!

It gives me immense joy to present to you the Batch of 2014-19, which undoubtedly, has been a great contributor to setting new levels of benchmarks and credibility of the University.

Since its establishment in 2009, National Law University Odisha has emerged as a leading center for legal education. The sixth batch of the students from this University has time and again made us proud with their achievements, and has surpassed boundaries of excellence. They have been active participants in every sphere: from academic to several co-curricular activities. The University recognizes the importance of overall development of students by giving them exposure to various fields and avenues, to make them leaders of the future. The intensive and participatory curriculum and teaching methods provided students comprehensive and challenging knowledge and skills with a holistic perspective. They have shown immense hard work and sincerity towards activities such as mooting, debating, publications, conferences, entrepreneurship and legal aid. Their achievements have set a standard for the batches to come.

The batch has had the opportunity to engage in discussion and deliberation, and work under distinguished judges, senior practicing advocates, leading law firms and corporate houses to gain practical exposure into the field of law. Over the years, they have learnt not only to be pedantic scholars, but also to perform as well educated and cultured professionals. I can say with utmost certainty that every student in this batch would positively be an asset to any organization and add value to the legal profession.

We seek your support in helping them realize their full potential and add value to your organization

Prof. (Dr.) Srikrishna Deva Rao

Vice-Chancellor
National Law University Odisha, Cuttack

Message from the Registrar

Greetings!

NLUO, a premier National Law University, with its committed staff and students, aims to impart quality and legal education. In the last few years, the university has witnessed remarkable development with respect to its infrastructure, teaching, research and institution building. We have had the privilege of working with the United Nations Development Programme for “Access to Justice” through centers in the areas of juvenile justice, consumer protection, women rights and various others. The university is also encouraging research through various research centers in the field of IPR, corporate law, public international law, trade and investment law, banking and insurance and various others. Our University also offers financial assistance such as means-cum-merit scholarship as well as funding for moot court competitions, debates, sports and several co-curricular and extra-curricular activities. I wish this batch all the best in their careers and strongly believe that they will undoubtedly prove, in due course of time, their true worth and mettle in their selection.

Dr. Dolly Jabbal
Registrar
National Law University Odisha

About NLUO

One of the youngest and most zealous institutes imparting premium legal education in India, National Law University Odisha was founded in the year 2009 by Act 4 of 2008 of the State of Odisha. With its vision of creating deft professionals who are socially responsive and adaptable to the dynamic field of law, the University has already made a mark amidst the legal fraternity in the country. The research standard of the students is a perfect blend of theoretical and practical nuances. The University eagerly promotes Mooting culture where the students have managed to carve a niche for themselves. Receiving their guidance by a dedicated pool of academicians pursuing intellectual and ethical excellence, students are awarded with an opportunity of inter-disciplinary exploration, an essential requirement in today's legal professional arena. This provides the students of NLUO a head-start, to experience pedantic enquiry and modern-age research to arrive at a holistic and compassionate understanding of the regulation of society and its associated institutions. The course structure at

NLUO is designed to encourage and promote novelty in thought and to capacitate the students towards contribution and development in the realms of law. The University is spread over a 60-acre lush green campus which boasts of a state-of-the-art infrastructure providing each student with an opportunity to explore and refine their interests. The resourceful Library which the University houses is modern in outlook and is designed to create a dynamic learning environment. The availability of digital research databases including Hein Online, Jstor, Kluwer Arbitration, Kluwer Anti-Trust, LexisNexis, Manupatra, West Law India amongst others enables legal research round the clock. Being a fully residential university, the campus brims with fervour and enthusiasm through spirited cultural events and festivities. Extra-curricular activities ranging from sports tournaments to musical performances add to the flavor while students from diverse cultural backgrounds find themselves woven in solidarity and harmony. In just 10 years from its establishment, NLU Odisha has

been given a national recognition of being one among the 60 Universities in India to be recognized as Quality Institution imparting education. The University Grants Commission (UGC) has granted autonomy to these 60 higher educational institutes in India as announced by Shri Prakash Javadekar, Union Minister of Human Resource Development under Government of India. This recognition will provide another opportunity to innovate and experiment to develop vibrant academic learning. This gives us freedom to start new courses, off campus centers, skill development courses, research parks and offer any other new academic programs. We will also have the freedom to hire foreign faculty, enroll foreign students, enter into academic collaborations and offer open and distance learning programs.

It is a matter of pride for the University that the Third Foundation Day Lecture was delivered by The President of India, His Excellency Hon'ble Shri Ram Nath Kovind, in March 2018.

About Batch of 2019

The students of the Batch of 2019 have left their mark on the legal landscape by winning many national and international laurels. As a batch it has taken several initiatives to give back to the community, while exhibiting scholastic brilliance. The batch has created a place for itself in an array of established law school by bringing laurels to the University in Moot Court Competitions, Publications, Mediation Competitions, Model United Nations, Client Counselling Competitions, Parliamentary Debates, Sporting and Cultural Activities.

The class is a healthy mix of students hailing from various parts of India, which adds value to the learning experience that

the University provides. It provides for a more diverse, engaging and enriching class. Being the sixth batch of the university, the students have had the opportunity of being both mentee (of the seniors) and mentor (to the juniors), as well as being leaders in the growth and development of the institution.

Apart from having gained valuable experience and professional skills while being associated with notable advocates, law firms, corporate houses, think tanks, non-governmental organisations, we have also been instilled with a sense of social responsibility which has been translated into organisation of a marathon for the cause of inclusion of the disabled in the

mainstream society-“Diversithon” by the NLUO chapter of IDIA. To further the ideals of sustainable public service, the batch had birthed “BeforeTheCourt” an initiative by Quaeritur Legal Private Limited- a start-up with a mission to make justice and sound legal advice accessible (in terms of simplifying law as well as making it affordable) to the general masses. The batch has been extensively involved in legal aid activities of the University and has provided its able assistance to the underprivileged be it immigrant labourers, prisoners, juveniles etc. Students have organized legal literacy camps in slums/villages and have been exposed to the grinds of the

field. The batch tapped into the creative atmosphere of the college and had successfully organised a Start-up Weekend.

The batch of 2019 has crafted itself to be relevant in today's world and has made the university proud by its successful endeavours at national and international platforms. The initiatives of the batch are a healthy mix of academic brilliance and community service, instilling the motto of the university “In Truth resides Righteousness” in its every endeavour.

Campus Life

NLUO has a thriving residential campus of about 70 Acres situated between two rivers. This setting provides the perfect impetus to the NLUO community in indulging in wide array of activities, ranging from academic and co-curricular to societal welfare schemes.

The campus boasts of a world class sports complex, a well-equipped gym and a splendid amphitheater to host any activities. NLUO hosts each year its national sports fest known as 'Viraj' and the inter-varsity cultural fest called 'Sector 13'.

The University collaborates with outside agencies to also offer courses on Music, Dance and Foreign Languages. There are various activity clubs within the university like the Music Society, Drama Society and student organized martial arts classes provide a platform for all students to hone their skills.

Mooting Culture

The Moot Society (TMS) of NLUO is managed by the students under the guidance of a faculty advisor. It enjoys the mandate to coordinate all aspects of the University's involvement with Mooting. TMS has taken huge strides in providing impetus for the development of mooting culture in the University by organization of intra-college and inter college Moot Court Competitions.

International Maritime Arbitration Moot (IMAM), the flagship moot court competition of the University has earned the distinction of being a premier Moot Court Competition across the nation. In 2018, TMS organized the 5th edition of IMAM which saw the participation of 24 teams from colleges across the nation.

In addition, the Intra-University Moot Court Competition (IUMCC) is organized every year by the TMS for the purposes of inculcating a culture of mooting among students. NLUO has been able to achieve remarkably high level of consistency in its moot court performances. This has been possible only through the hard work of students, TMS and NLUO's policy of extending financial assistance to students for participating in national and international moot court competitions.

Research Centres

NLUO, right from its inception, has focused on the critical evaluation of existing notions of society on a wide array of issues ranging from complexities in the International sphere in WTO to the dismal living conditions of riverside settlers in Cuttack. In order to channelize the efforts and research activities undertaken, NLUO has housed a number of research centres, a majority of which are funded by the United Nations Development Project (UNDP) Access to Justice Project.

Some of these centres are:

- Centre for Banking & Insurance Laws
- Centre for Corporate & Commercial Laws
- Intellectual Property Analysis and Advocacy Centre
- Centre for Outreach & Research in Agricultural Law
- Alternative Dispute Resolution Centre (Mediation and Negotiation)
- The Centre for Industrial Relations and Labour Laws
- Tribal Rights Advocacy Centre
- Centre for Consumer Law
- Centre for International Trade Law
- Centre for Natural Resources Management
- Centre for Women and Law
- Centre for Disability Rights*
- Centre for Criminal Justice and Human Rights
- Centre for Public Policy, Law and Good Governance
- Centre for Maritime Law

Journals & Publications

NLUO has actively fostered a culture of curiosity and emphasized on generating significant levels of research outputs. Several academic journals and publications, backed and nurtured by the finest legal minds of India, and a result of the dedication and perseverance of the students of NLUO have come to be published in the recent past.

Some of these are:

- NLUO Law Review
- Journal on the Rights of the Child
- Human Rights Law Journal
- NLUO Student Law Journal
- The Journal of Competition Law and Policy

Legal Services Clinic

The Legal Aid Society of National Law University Odisha is a student run committee of the University and was constituted in 2012 with constant support and guidance of its faculty advisor Asst. Prof. Suman Dash Bhattamishra. The members and volunteers of the Society are a group of enthusiastic students who have constantly been involved in various activities to keep the spirit of legal aid alive.

The Society carries out its functions with an aim to provide access to justice to the disadvantaged and marginalized sections of the population, primarily by spreading legal awareness and legal education in educational institutions and under-privileged communities. Since its inception, the Society has conducted numerous Legal Literacy Programmes in remote areas of Odisha, predominantly in schools, colleges, orphanages, mental asylums, prisons, brick kilns and old age homes, in addition to conducting several legal surveys in order to identify issues faced by the target groups and formulating solutions to solve the same.
