Why NLUO?

1. NLUO provides a platform for multi-dimensional learning experience which integrates rigorous academic, applied, practical and cross disciplinary perspectives to ensure a deep understanding of law in all its contexts.
2. We invest in quality legal research and promote an environment which allows exchange of intellectual thought process. Our law school is an incubator for nurturing scholarship and innovative ideas and inculcate analytical and critical thinking.
3. NLU Odisha students are trained by a group of experienced, dynamic, young and most significantly committed teachers. The teachers at NLUO are mostly alumni of the leading National Law Universities in India and reputed law schools abroad. They come from diverse background, having served in the office of the Chief Justice of India, practiced in law at Bar, served in civil society organisations, served in Indian Police Service and have headed various reputed educational institutions in the past. Our faculty is our pride and we are committed to invest in scholarship of our faculty so that you get the best in the country.

5. To fulfil our social commitment, we organize legal aid camps in the villages across the State of Odisha in collaboration with the United Nations Development Program, High Court of Orissa and the District Judiciary. These programs are organized, coordinated entirely by the student body in the supervision of law professors. This enables the students to learn the application of law and connect it with the principles of law taught in the classroom.
6. To multiply the effect of legal scholarship, we frequently organize lecture series/ seminars/ conferences/ workshops on diverse aspects of law and allied subjects by inviting scholars, practitioners, lawyers, judges,

members of media who share their critical perspectives and experiences in the fields of law, politics, judiciary, economic affairs, international affairs, history and culture. This provides a platform for open dialogue between scholars, faculty and students and generates a healthy environment of cross-sectoral learning.

7. NLUO provides an excellent opportunity to students to hone their moot skills that includes drafting memoranda and presenting arguments. Students are also well supported to travel nationally and internationally to represent the university in prestigious moot court competitions. The University has its own state-of-art moot court room facility. This has enabled our students to perform better in the India Rounds of the Philip C. United Nations organisations like UNDP and UNICEF have been actively supporting our research endeavours. University's Centre for Child Right (CCR) in collaboration with UNICEF is a testimony to this partnership. The Centre organized a two-day Colloquium on Juvenile Justice on July 7-8, 2018, where for the first time, the Chair of, UN Committee on the Rights of Child, Geneva, Ms. Justice Renate Winter visited India. Our other leading research centres and projects include Centre for Access to Justice and Litigation Management in Higher Education.
